

Y'S WONDER CLUB ECO HERO BADGE

To earn your badge, you need to complete all three of the following tasks:

- 1 Upcycle something** Choose an item that's reaching the end of its life or is destined for the bin and transform it into something useful. Maybe you could make a pencil case from an old bag, tie-die a stained t-shirt or freshen up a wooden stool with bright paints. Tell us what you upcycled in the space below and attach a picture too, if you like.

- 2 Make an environmentally friendly change** Make a lifestyle change that enables you or your family to cause less harm to the environment. Perhaps you could ask your parents if you could walk, cycle or scoot into school, instead of driving. Maybe you could reduce the amount of single-use plastics you use at home, eat less meat, or help your family to reduce your food waste. Use the space below to describe what change you made.

- 3 Help to raise awareness** Help to spread the word about an environmental issue that you feel strongly about. You could design and put up a poster about an environmental problem, e.g. reminding your school friends to bring in reusable water bottles or encouraging awareness in your neighbourhood of toads or hedgehogs on the roads. You could write to your MP or your local shops or cafes to ask them to make environmentally friendly changes. Or maybe you could join an environmental campaign or protest. Describe what you did below.
