

## WALKING WATER

### You will need:

- 3 glasses
- 2 sheets of kitchen roll
- Blue food colouring
- Yellow food colouring

### What you do:

1. Fill two glasses with water. Add some blue food colouring to one and some yellow food colouring to the other.
2. Place the two glasses of coloured water either side of the empty glass.
3. Fold a sheet of kitchen roll lengthways until it fits into the glass. Now place one end of the kitchen roll into the blue water and the other end into the empty glass. Do the same with the other piece of kitchen roll and the glass of yellow water.
